Dear Valued Customer:

As a result of new regulations imposed by the PA Department of Environmental Protection, relating to the Safe Drinking Water Act, the Plum Borough Municipal Authority, along with other water suppliers located within the Commonwealth will be required to notify their Customers in the event of an emergency situation affecting the quality or supply of water. In an effort to meet this requirement, we are kindly requesting that you please complete the form below and return it to the Authority.

We request that you complete the information below and return it to us, indicating the telephone number that is the best way to contact you for this type of message. The information supplied will in no way be shared with anyone and will be used solely to notify you in the event of an emergency situation.

We thank you for your cooperation in this matter.

Sincerely,

J. Howard Theis, Manager
